

GratEX[®] Premium Integrated Edge Banding

What is EX-Series[®] Premium Integrated Edge Banding?

Treadwell sets the highest standards for edge banding without compromise. With the provision of high quality professional edge banding services, Treadwell offers specifiers a flexibility in design and finishes, allowing projects that consistent finish that impresses. Each project is accurately cut with computer aids before the required surface option is applied. This allows for an ultimate seamless finish that boasts quality and will endure. So much so that Treadwell will guarantee our edge banding can last up to 15 years. Rest assured of your design's longevity with Treadwell's capability in professional edge banding.
